## Term 3

Term 3 has been very busy. Please find our montage of photos for term 3 which include the activities such as Optimind through to the Airbus Robotics program and a visit to the Environmental Centre. We believe our theme for term three has developed the skills that Queensland Children need for the 21<sup>st</sup> century. Refer to the diagram by the QCCA (Queensland Curriculum Assessment Authority). We look forward to term 4, 2021.

# OSHC - WHAT'S HAPPENING

This term has seen lots of activities

**"What's for Dinner" has been a tremendous success with lots of wonderful, tasty meals sent home each week. Our cooking program has encouraged our children to take an interest – in not only eating different foods – but also experimenting with their own cooking on the weekends.**

**The spacious Music/Library room has allowed our children to branch out and create wonderful constructions. The undercover area now with covered flooring allows further expansion for games.**

**Vacation Care and After School Care  
Child choice, Individual, and group  
activities occurring each day.**

**TERM 4  
EXTRA ACTIVITIES PROGRAM  
COMING**
