

# YARRANLEA OSHC ACCEPTABLE COMPUTER/INTERNET USAGE FORM

NAME OF CHILD \_\_\_\_\_

**Parents/Guardians – please go through this form with your child. If there are any areas that are not fully understood by your child, please ask the Educational Leader for assistance.**

## **STUDENT**

I understand that the Internet can connect me to a very useful information store from around the world.

While I have access to the Internet:

- I will use it only for educational purposes.
- I will not look for, nor send, anything that is illegal, dangerous or offensive.

If I accidentally come across something that is illegal, dangerous or offensive, I will:

- clear any offensive pictures from my screen and
- immediately and quietly inform my teacher

I will not reveal home addresses, phone numbers or email addresses - mine or anyone else's.

I will not use the Internet to annoy or offend anyone.

I will not arrange to meet with anyone who I have made contact with through the Internet without my parent or guardian's permission.

I will treat all computer resources at the school with care and respect.

I understand that if the school decides that I have broken these rules, appropriate action will be taken. This may include a loss of my school Computer and Internet Access privileges.

## **PARENT OR GUARDIAN**

I understand that the Internet can provide students with valuable learning experiences. I also understand that it gives access to information on computers around the world, that the school cannot control what is on the Internet, and that this information could be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure or harmful information should depend finally upon responsible use by the students.

I believe \_\_\_\_\_ (student name) understands this responsibility and I hereby give my permission for him/her to access computers and the Internet under school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include a loss of his/her school Computer and Internet Access privileges.
