CANBERRA 2021

This was discussed at the last P and F and unfortunately it will not proceed due to the possibility of COVID still being prevalent in the communities. We are currently looking at alternatives.

OPTIMIND

We have had two teams enter Optimind this year. Our team members have been from grade 2 to 6. This is a fantastic opportunity for our students as in a state school this would not have occurred. Students are given the choice to do Optimind and do so voluntarily.

CONCERT – END OF YEAR MUSICAL

As with most things Covid this has made us change the event. A video recording of the musical will be sent via a link. **Before** the link can be released all parents will be required to sign a consent form and an agreement form. Consent for your child to be included in the musical and the agreement is to confirm that the link will not be distributed onto any social media site. This is to protect The privacy of all children performing in musical.

PARENT TEACHER INTERVIEWS
