Reflection on Term 2, 2021

We have completed Term 2 and during the term, we had guest speakers who spoke to the students about their jobs, and once again, Yarranlea would like thank our guest speakers. As we are preparing our students for the future the common messages were:

1. Working together as a team – team players have multiple skills.
2. Adaptability – changes occur all the time - therefore we need to adapt to the circumstances.
3. Able to talk with people to solve problems.
4. Understanding the problem - look at the data to formulate a possible action plan.
5. Read, research, comprehend the problem - look for patterns in what is occurring.
6. There are always multiple pathways to take in educating yourself.
7. Have a plan of what you would like to try.
8. Sometimes that plan may not work out but you may have learnt something from experience.

NAIDOC WEEK – JULY 4-11

NAIDOC Week celebrations are traditionally held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. 'Heal country' is the theme for NAIDOC Week 2021.

Heal country! – calls for stronger measures to recognise, protect, and maintain all aspects of Aboriginal and Torres Strait Islander culture and heritage. Find out more about [NAIDOC WEEK here](#)
