From the Principal

Reflection Newsletter – Term 4 2021

On Friday 9<sup>th</sup> December we farewelled to our Grade six students. Two of them were from our original Prep cohort.

Over the period of time, we have watched them develop their own special skills, develop their confidence and now they are ready to take on the world. While high school always presents its challenges, they have the passion, drive and will to succeed. At Yarranlea we never tend to bid our final farewells to our past students as they often make contact with us, sharing the adventures they have had as they move into high school and adulthood.

Term four for the school was particularly busy in which we accomplished:

- School Musical
- Our trip to Fraser Island and Mon Repos (Bundaberg and the turtle sanctuary and where Bert Hinkler flew his first home made glider)
- Our pre prep visits
- Report Cards
- Our graduation night and movie night (although it did rain)
- Our Christmas Packs
- Our market and product production

So, bring on 2022! Let us be the change as we explore new things. Yarranlea Primary School has a strong and supportive community. While we are small (but growing each year) we work together to provide a safe, supportive nurturing environment for our student to grow.

Our School Board and Staff would like to thank the school community for the support in 2021 and we look forward to working together in 2022. Have a safe and happy Holidays.

Sincerely  
David Costin  
Principal
