Yarranlea Primary School Annual Report 2025 (Based on 2024 data)

Yarranlea Primary School is an independent school situated within Griffith University's Mount Gravatt Campus in Brisbane, Australia.

Philosophy

Yarranlea is a small, student-focused school operating in a conventional classroom setting that tailors the Australian National Curriculum to enable personalised learning. Teachers facilitate excellent educational outcomes relative to the unique skills and abilities of each student. It is an independent organisation that values a learning partnership between students, their families and teachers. This represents the basis of our community, where we constructively work with each other to enable our students to believe in themselves and to achieve their potential.

Vision

Success with a SMILE (Small, Multi-age, Inspirational, Learning Environment).

Values

Positivity, Integrity, Respect and Responsibility (PIRR) are the "critical few" principles that should always guide our behaviour at Yarranlea. Our 'CARES' framework (Courteous and Considerate, Appreciative, Responsible, Excellence and Shares) is used to create a positive environment which encourages responsible behaviour both within the school environment and within our wider community, ensuring that we remain true to our core values as we strive to equip our students with the skills for the future.

Distinctive Curriculum Offerings

Yarranlea is a small, student-focused, independent school, operating in a conventional classroom setting, located on a university campus. Yarranlea Primary School's teaching is delivered in a unique multi-age setting by highly experienced teachers, with a favourable student/teacher ratio of 10.3 that is difficult to find at other schools. Our committed teachers and generous teaching ratios allow for a personalised approach which provides the scaffolding that surrounds the implementation of the Australian National Curriculum, harnessing the potential of each child. Yarranlea values a learning partnership between students, their families and teachers and we work constructively with each other to enable our students to believe in themselves and to achieve their potential.

A description of how non-attendance is managed by the school: *6

Non-attendance at school is managed case by case. As we are a small school we are able to contact the caregivers/parents directly by 9.15am each morning to determine the reason for the student's absence if we have not been notified by this time. Parents/caregivers are to notify the school by calling, texting or emailing prior to commencement of the school day. If a child's absence is ongoing the Principal supports the family to determine if learning from home is a possibility during the period of absence.
