FEE SCHEDULE –2027

Additional fees may apply for overseas students and dependents of temporary visa holders.

Entry fees	
	A non-refundable enrolment confirmation fee of $500 per student is payable upon acceptance of the offer of a place at the school.
Enrolment Deposit	Upon confirmation of enrolment, an Enrolment Deposit of $1,950 is payable. This deposit is payable per student and is non-transferable to a later entry year should enrolment not proceed with the initial requested year level. This deposit will then be provided back to families as a credit to their last fee invoice in the last year of their enrolment. NOTIFICATION OF INTENTION TO LEAVE In accordance with the Enrolment Agreement, at least one full term's notice, in writing, must be given of a student's intention to leave the school. Failure to provide such notice will result in a forfeit of the enrolment deposit paid upon acceptance of the enrolment. A 'term' is defined as the dates specified in the Annual School Calendar, e.g. notification of intention to leave at the end of Term 4 would be required prior to the date of commencement of Term 4.

Academic fees	*Per term*	*Per year*	
Tuition fees (per student)	$1,950	$7,800	Includes all compulsory activities specified in the school curriculum, subject materials, textbooks, musical instruments, sports days and excursions as specified in the curriculum but excludes any extra-curricular items.

- A fee of $50 will be added to quarterly tuition fees not paid in full before the start of the first teaching day each term.

Additional Charges
Students will be charged an annual **device levy** of $150, which provides each student access to a 1:1 school managed device. The annual levy covers the associated costs of a 1:1 device program such as the purchase of the device, maintenance, software and insurances. Please note there is an excess of $150 for any claim made for malicious or accidental damage.

Other items	
Late payments	Students with any fees or levies outstanding at the end of term are not eligible for admission to the next term. Any family dealing with financial hardship is invited to proactively discuss this matter with the school's Principal or Business Manager on a confidential basis.
Student transfers	The school must receive written notice at least one term in advance if a family decides to transfer a student to another school. This notice helps the school to manage vacancies. A full term's fees are payable in lieu of the school not receiving this notice.

All fees and levies are quoted on a GST-inclusive basis where applicable (most educational services are GST free). Payment by direct deposit.
